JobZENTRALE for Salzgitter and the surroundings

The Jobcenter Salzgitter offers a free service to all the jobseekers: a JobZENTRALE for the city of Salzgitter and the surroundings.

- The search for job advertisements is much easier.
- All positions are automatically and daily researched and are clearly displayed.
- It contains job offers and training positions from job exchanges, daily newspapers and company websites.
- For the top 50 professional groups and for all places in the surrounding area, a current job newspaper is available for printing every day.
- All job advertisements can be viewed in the original.

You can find the jobZENTRALE on the Internet at:

www.jobzentrale-sz.de

Who is the JobZENTRALE aimed at?

- The use is free and accessible to everyone.
- Job changers get an overview of what the region has to offer.
- Job seekers find suitable positions, depending on their qualifications.
- Pupils find training positions.
- Companies receive an overview of job applications in their own branch.
- Trainees and university graduates find companies looking for qualified people.
- Educational institutions receive tools for the integration in the job market.

Extensive and convenient search functions

The professional search contains a free text search: Enter a term that should appear somewhere in the ad text. Additionally, you can search for company names and only the ads of the desired company will be displayed. The searches of occupational groups, free text and companies can be combined with each other or each can also be used separately.

Do you want to work in a specific occupational field?

The **jobNEWSOccupation** section is the ideal choice for you.

- > jobNEWSOccupation
- > jobNEWEducation
- > jobNEWSInternship
- > jobNEWSPlaces
- > jobMAPS
- > MYjobNEWS

The occupational group search will help you. Just enter the job that you want to work in. The JobZENTRALE picks out the right professional group. In this way, you can find all the positions that are in the same occupational group. Often, the reference to positions is different from what is usual for you.

Fachkräfte	2408	Sanitär-, Heizungs- und Klimatechnik - Fachkräfte	20051
